Contains intense violence, blood and gore. The world-famous fighting game has finally made it onto the mobile platforms. Now Android players have their chances of using the brutally satisfying satisfying were the iconic features of the franchise. Choose your favorite fighter and join the biggest combat tournament in the entire universe. Learn more about this great game from Warner Bros with our comprehensive ratings. StoryMortal Kombat introduces gamers to their new adventures with their favorite fighters like Johnny Cage, Sonya Blade, Liu Kang, Kitana, Raiden. Like the previous episodes, Mortal Kombat X still possesses the deadly and inhuman battle styles that have made the series so popular. Prepare for your opponents' heads to be cut off, their spines ripped out, and more. Nevertheless, this time you will not fight alone, as the game also introduces the 3v3 fights in which you have to put your team together and fight with different tactics. Explore a lot of new and exciting gameplay in Mortal Kombat as you explore this divine kingdom. Here you will find all the exciting features that the game has to offer: First, Mortal Kombat introduces players to a fairly simple and convenient control system that allows you to quickly get used to the features in the game. In addition, thanks to the combined gestures and touch command controls, it is extremely easy for you to enjoy the fights. Perform fast combos and get your characters into exciting battles. Finally, the game also has customizable controls that allow you to make varied changes to the game depending on your preferences. As for fans of the famous action series, Mortal Kombat X offers you the chances of their lives. Have yourself, control your favorite characters, fight other enemies in epic battles, and experience the iconic fighting styles of Mortal Kombat. And this time you have three players on your team who are taking part in the fight, not just one. Each character comes from certain races and has similar characteristics. By getting the right characters in your team, you can unlock many useful buffs. You'll also be introduced with Mortal Kombat with many new characters that will appear in the next Mortal Kombat game for the consoles and PC. Choose to fight as new characters along with iconic veterans like Raiden, Johnny, Liu Kang and more. Discover the new powers they possess. Control the bloodthirsty undead armies with Vampireess Mileena, Reptile/Classic and more. As mentioned earlier, Mortal Kombat X comes with the unique 3v3 battles in which you choose between different fighters and get the most powerful comps out of your collection. Not to mention that the game also offers new special attacks and powerful moves for each character. Your characters have certain synergies that allow them to create unique boosts during battles Make sure you take advantage of them to get the best team compositions. Fight your opponents as Team Ronin, Team Day of the Dead, Team God and more. And if you don't know, your characters will also come with unique powers and abilities You could unlock whenever you are ready. That being said, players can upgrade and unlock their fighters by showing the character card mechanics. Unleash their full potential with amazing buffs. Get prepared for your upcoming adventures as you travel through the dangerous lands. Start by following the paths to get out of The Outworld, and then make your way to Netherrealm. Along the way, there are many different quests and missions to complete. Earn valuable rewards and move forward in this dark world. And in addition to the main adventure, the players in Mortal Kombat X will also be introduced to the epic challenges they could complete and receive epic loot earning. It's also a great opportunity to test your skills and abilities. Let yourself compete in a series of tough challenges, fight against the greatest fighters in Mortal Kombat. Every week there are new challenges for you to participate in. So you'll never find that you're running out of things you can do. And of course, in Mortal Kombat, you also have your chances of challenging your opponents in epic online gameplay. Join in the exciting and hilarious team matches where you can join the great brawls. On the other hand, you will also be introduced to the intense Ranked Battles. Compete with the world's best Mortal Kombat X players and earn your earned places in the leaderboards. To make the game more exciting and related, players can personalize their games as much as they like with many available features. That being said, you can unlock and collect multiple character customizations in the Feats of Strength. Have your favorite characters dressed up in amazing and hilarious costumes. Moreover, if you've won enough games, you'll earn the fantastic Victory Stances that will allow you to stand proudly against your enemies. When you defeat your opponents, you can simply show them your victory taunts and war banners to irritate them. And not like other console-graded Android games, Mortal Kombat X allows players to experience the whole game without having to pay for free. However, there are some in-app purchases that don't make the game very balanced. But overall, you can still catch up by being active in this game. Complete difficult challenges and you'll earn great prizes. However, if you are bothered by the in-game purchases and want to do something about it, then our mod version of this game would certainly satisfy you. To have it installed on your devices, simply download the Mortal Kombat X Mod APK file memory. Follow our instructions and you can easily install the game. With stunning 3D graphics, Mortal Kombat X is one of the few games that could redefine mobile games. For the first time, people could see and believe that Android games can look exactly like those designed for consoles. Not to mention the fact that the studio did a great job of creating the unique unique Styles in Mortal Kombat. Experience realistic battles and physics that could hardly be found on other mobile titles. And last but not least, thanks to the customizable graphics, you can easily play the game on multiple devices with varied hardware. So you don't have to be disappointed if you have a low-end Android device. While it's just a fighting game, Mortal Kombat offers the battles between gods and inhumane species, allowing you to immerse yourself in powerful and effective audio experiences. Epic metal weapon collisions, incredible explosions, lightning strikes and so on. In addition, the precise and realistic sounds coming out of the opponent's belly, ripped out or their spines pulled out, will offer them unforgettable experiences. APK install it on your device. Extract the OBB file to /SDCARD/Android/obb/com.wb.goog.mcx. Make sure the OBB file (main.19113.com.wb.goog.mcx.obb) and (patch.19113.com.wb.goog.mcx.obb) is in the com.wb.goog.mcx folder. Restart the game. Enjoy! For normal players, Mortal Kombat X could be a little bloody and not suitable for all ages. But if you've been fans of the series long enough, you'll definitely find this game appealing and addictive. Not to mention that our mods will make the game much more exciting. Exciting.
